Dear Tsukamoto-san,

REQUEST FOR NOMINAL SUPPORT FOR THE 33RD CLEAN COAL DAY IN JAPAN INTERNATIONAL SYMPOSIUM 2024 AND ENERGY SECURITY WITH DECARBONIZATION SYMPOSIUM 2024

With reference to your letter addressed to H.E. Dato' Shahril Effendi Abd Ghany, Ambassador of Malaysia to Japan on the above matter, I have the honour to inform you that the Embassy of Malaysia in Tokyo is agreeable to extend its nominal support for the 33rd Clean Coal Day International Symposium 2024 and Energy Security with Decarbonization Symposium 2024 which is scheduled to be held from 2 to 3 September 2024.

2. The Government of Malaysia remains committed towards achieving net zero greenhouse gas emissions by 2050 which is parallel and as outlined in Malaysia's National Energy Transition Roadmap. In March 2024, the Ministry of Energy Transition and Water Transformation of Malaysia introduced a special incentive for domestic consumers that is aimed at encouraging the installation of solar photovoltaic systems under the national Net Energy Metering programme.

3. On behalf of the Embassy, I would like to take this opportunity to extend my best wishes to you and the organising committee on this important undertaking.

Thank you.

Yours faithfully,

ANWAR UDZIR

Deputy Chief of Mission

For and on behalf of H.E. Ambassador of Malaysia to Japan
