Mr.
Osamu TSUKAMOTO
President
Japan Carbon Frontier Association
Tokyo

Dear Mr. TSUKAMOTO,

I am honored to receive your letter requesting nominal support for the 33rd Clean Coal Day International Symposium 2024 and the Energy Security with Decarbonization Symposium 2024.

With that in mind I am pleased to confirm the Embassy's nominal support for both symposia.

I would like to take this opportunity to extend my sincere congratulations on the significant contributions these symposia have made to the international community thus far.

Colombia, a dedicated advocate for environmental protection and unwavering supporter of best practices and actions aimed at decarbonization and energy security, is fully committed to initiatives such as those undertaken by your esteemed organization.

Along with my sincere appreciation, please accept my best wishes for the success of the 33rd Clean Coal Day International Symposium 2024 and the Energy Security with Decarbonization Symposium 2024.

Sincerely,

ÁNGELA DURÁN CONSUEGRA
